Hey Mike. I'm not certain that this requester is considered "media" but I wanted to pass this by you first. We need to reach out to the requester for an extension (due date 4/28). I was going to call but I'm not sure that's such a good idea. Thoughts?

The email search request has gone to OEI and they sent a question this morning so I know they are working on it. Gary doesn't believe there's anything so we may in fact be done next week but I don't want to wait too long to ask for an extension if we need one. Tuesday or Wednesday might be good if we don't hear anything from OEI.
